Supreme Court Upholds Government on Kinzua Dam

Warmer Weather Is Reported on Way

By The Associated Press
Extended forecast for Tuesday, June 16, through Saturday, June 20:
Western Pennsylvania, western New York and West Virginia — Temperatures will average near normal with below normal temperatures at the beginning and above normal temperatures later in the week. Showers about Thursday or Friday will total around ½ inch.

RAILROADED INTO TEXAS, LONG CLAIMS

GALVESTON, Tex. (AP)—A battery of attorneys huddled hastily today to avoid an open hearing where Gov. Earl Long of Louisiana wants to fight for release from a Texas mental clinic.

The 63-year-old Long, contending he was railroaded into John Sealy Hospital three weeks ago, has a habeas corpus hearing scheduled for today. The court granted the hearing when Long filed an application he was brought to the hospital under heavy sedation, shackled hand and foot.

But the attorneys hinted the hearing today may not come off, in view of a closed sanity session Tuesday.

Long's three court-appointed attorneys, together with legal representatives of the governor's wife and Sen. Russell Long (D-La.), the governor's nephew, indicated they did not want the open hearing today.

One other possibility, one of the attorneys said, would be to limit today's hearing to legal arguments and save Long from attacks as a credible witness until the closed session.

Attorneys said they had not talked with Judge L. D. Godard on the possibility of any change from the open hearing.

Long shouted to newsmen (Turn to Page Twelve)

Charge Girl Is Kidnaped From Church Meeting

ELLSWORTH, Maine (AP)—A 20-year-old youth faces arraignment today on charges that he held up a church gathering and kidnapped a girl who had spurned his love.

Police said Ronald Grant, Jr., brandishing a .22 caliber pistol, terrorized a Young People's meeting Sunday night at the Brooklyn Baptist church, about 20 miles south of here.

They said he ordered a minister's wife to turn over her purse and then forced Nora Staples, 17, to leave with him in the Rev. Charles Fore's car.

A short time later, with state police in pursuit the car smashed into a police roadblock at Orrington, 33 miles away.

"I just wanted to see how far we could get," police quoted Grant as saying. The girl suffered minor face cuts and was treated at a Bangor hospital.

Police said Grant, who was held without bail on charges of armed robbery and kidnapping, shot himself in the stomach some weeks ago after Nora turned down his marriage proposal.

Warren Industries Receive Large Orders From United

Three local industrial firms have received sizeable orders from another Warren industry, which is purchasing new equipment as part of its continuing plant modernization and improvement program.

The customer is United Refining Company, which has recently placed orders amounting to more than \$360,000 with Hammond Iron Works, Pennsylvania Furnace & Iron and Struthers Wells Corp. Keeping pace with the rapid advances in refining technology, United now operates one of the most modern refineries in the nation, capable of producing the

DECISION SAYS CONGRESS HAS POWER TO TAKE LAND ON SENECA RESERVATION

WASHINGTON (AP)—The Supreme Court today refused to review a decision upholding the government's right to flood lands of Seneca Indians by construction of a dam at Kinzua, Pa.

The decision, by the U. S. Court of Appeals here, was that Congress had authorized the taking of the lands for a reservoir, and had the power to do so.

The Supreme Court's refusal to review the case lets the decision stand unchanged and removes the last legal obstacle to building of the 113-million dollar dam.

The Supreme Court's refusal today was announced in a brief order which gave no comment.

The Senecas have opposed building of the dam on the upper Allegheny River because its reservoir would flood an estimated 9,000 acres of their 30,000 acre reservation in western New York state.

Lands to be flooded are the most valuable on the reservation, the Indians said. The land was given to the Senecas under a 1794 treaty signed by George Washington. The treaty said the United States acknowledged the land to be

G. O. P. Legislative Chiefs Agree Lawrence Budget Can Be Slashed \$40,000,000

By FRED B. WALTERS

HARRISBURG (AP)—Republican legislative leaders have agreed that Gov. Lawrence's record \$1,870,000,000 budget can be trimmed by 40 million dollars — maybe more.

They gave what Senate GOP Leader James S. Berger described as substantial approval to the 40-million-dollar figure at a Sunday night meeting that lasted until early today.

Berger said the budget still has to be reviewed further by the leadership, but:

"We think reductions will be made in the budget request — which will not work to the detriment of any services — from somewhere between 40 million dollars and 60 million plus."

It will take a few more meetings to arrive at a final figure, he said, and "the whole subject will have to be reviewed in full caucus by all Republican legislators."

The statement squelched any hopes the politically divided Legislature might arrive at some understanding this month to break the deadlock over Lawrence's pending new tax proposals.

The proposals add up to about 210 million dollars, which the governor said would be needed to balance his budget.

Berger further stated that after the GOP legislators agree on a budget figure the revenue estimates will have to be studied.

Somoza Seeks Proof Against Rebel Chiefs

MANAGUA, Nicaragua (AP)—President Luis Somoza's regime today sought proof for the Organization of American States that the young socialists who tried to topple his regime got substantial help from other Latin American governments.

Somoza's aides stepped up their efforts after the government staged a triumphal parade through the capital Sunday in a show of confidence that the small-scale, two-week-old revolt was over.

The almost bloodless coup appeared to have spluttered out with the surrender of 16 rebel holdouts who were ambushed by National Guardsmen Saturday night when they sought to buy food in a village.

Police said Grant, who was held without bail on charges of armed robbery and kidnapping, shot himself in the stomach some weeks ago after Nora turned down his marriage proposal.

Plan to Nab Sweets Go Sour for Kiddies

PROVIDENCE, R.I. (AP)—The plan of three youngsters to nab some sweets went sour Sunday.

The boys, aged 10 to 13, were arrested by police at the Rosen Candy Co. Police were in the building investigating a break Saturday night in which some money was taken and candy strewn about.

Toilet Water Is Discussed During Liberace's Trial

LONDON (AP)—A witness in Liberace's libel suit testified today the American entertainer's perfume or toilet water was more powerful than the antiseptic applied to a wasp sting.

It was the fifth day of the pianist's court action against the Daily Mirror and its columnist William M. Connor. He claims they implied he is a homosexual in an article in 1956.

Peter Stephens, chief of the Mirror's Paris bureau, testified Liberace had a highly cosmetic smell about him when they met (Turn to Page Twelve)

New Regulations Announced for Bacteria in Milk

HARRISBURG (AP)—New standards defining the number and character of bacteria in milk products will become effective July 2, Agriculture Secretary William L. Henning said today.

Henning said the new regulations were worked out following studies and hearings held by the department during the last year. He added that the regulations are as strong, and in some instances stronger, than those recommended by the U. S. Public Health Service.

"Under the new regulations," Henning said, "milk for pasteurization must not have a bacterial count in excess of 200,000 per milliliter as received from the farm. Pasteurized milk must not have a standard plate count in excess of 30,000 per milliliter."

Pasteurized milk is not affected by the new regulations. Standards for this milk remain the same, a count of 25,000 per milliliter as received from the farm and 15,000 following pasteurization.

Henning said department milk sanitarians will enforce the new regulations through unannounced checks at dairies.

Similar regulations covering ice cream and other frozen dairy deserts, cream and other dairy products also become effective July 2, Henning added.

Washout at School Site Is Studied

Down the mountain of loose earth in the background came heavy rains Friday night, making a muddy mess of properties below. Top of the hill will be the site of Warren's new high school. Dozers, grading off the hill top, pushed the dirt over the bank toward Lookout street from where the picture was taken. The hard storm Friday night pushed the rushing waters down upon the dirt, carrying the muddy waters onto Lookout street and nearby properties. —Timesphoto by Shattuck.

Paper Gowns for Uniforms Tested

SAN ANTONIO (AP)—Patients in hospitals may sleep in paper gowns on paper sheets and be treated by doctors and nurses wearing paper uniforms, if tests at Brooke Army Medical Center prove successful.

A study was being made today to decide "why we got so much water in one place" in the season's first hard wind-thunder shower storm which struck the area Friday evening.

The water referred to by Borough Manager George Geracimos washed down a large amount of earth from the high school site above Lookout street onto Lookout and Terrace streets properties.

The hill top property is being graded by construction crews, the loose earth extended over the bank overlooking Lookout street.

A 1.2 inch of rain fall was dumped on the Warren vicinity within a matter of minutes Friday. The heavy deluge washed across the property in a south-west direction, down the embankment, carrying with it the mud.

Some concealed damage is expected to sewers in the vicinity which handled the muddy waters. This won't be known until an inspection is made.

In Warren Borough, little tree damage was reported. In Clarendon Heights, a heavy wind storm toppled several trees and ripped large limbs from other trees and whirled them across properties.

Bell Telephone escaped any noteworthy line damage as did Penelec. Warren Electric in Youngsville had sections of line out in Spring Creek, York Hill, Cherry Grove, RD Sugar Grove and RD Grand Valley areas from fallen trees and snapped limbs.

A small twister wrecked the Celoron, N. Y., locale, causing considerable damage.

A total of 2.5 inches of rain fell in Warren since Friday. This stepped Allegheny River up to a 2.5 foot standing this morning. With lack of rain Sunday and today, the river began to recede slowly.

The cold spell should begin to cease with fair and cool weather expected tonight followed by cloudy and warmer Tuesday.

Man Kills Two Tots, Policeman and Then Suicides

AUGUSTA, Ga. (AP)—A Florida businessman, his two children and a policeman were dead today as the result of a gun battle. Officers said the businessman, James Hofer, 34, killed the children.

Detective Edgar F. Beazley said officers were called to the home of the parents of Hofer's estranged wife after Hofer crashed through the living room window with a .38 caliber revolver in his hand.

The first officers at the scene were Sgt. Sumter Lewis and veteran patrolman Joe Reynolds, 48. They were told that Hofer was upstairs with his wife, Dorothy Bagley Hofer, and their children, Vicky Ann Hofer, 4, and Katherine Hofer, 2.

Beazley said the officers could hear Hofer and his wife talking in an unlighted bedroom. There was no sound from the children. Reynolds said the children were dead.

ST. MARYS, W.Va. (AP)—Reed B. Day, 30, of Taylorsville, Pa., his wife, Elizabeth, 28, and their 6-year-old son, James, were killed Sunday in a two-car collision on W.Va., Route 2 about seven miles south of here.

House Cautioned Against Cutting Foreign Aid

WASHINGTON (AP)—The House was cautioned today against cutting foreign aid spending too sharply despite instances of waste and some corruption in the program.

"I am sure that much more needs to be done to eliminate waste and improve the effectiveness of the program," Rep. Thomas E. Morgan (D-Pa.) said in a speech prepared for the opening of debate.

But he added at another point: "I am absolutely convinced that if we eliminate or drastically curtail the mutual security program, the loss of the cold war will be inevitable."

Morgan is chairman of the House Foreign Affairs Committee, which recommended authorizing \$3,642,600,000 of new money for the aid program next year.

Skindiver Is Killed By Shark on Coast

LA YOLLA, Calif. (AP)—A shark killed a skindiver while several persons watched from the beach 50 yards away Sunday.

No trace was found of husky Robert Pamperin, 33, a San Diego aircraft engineer.

"I was swimming about 15 feet from shore," said his companion, Tom Lehrer, 30. "I heard him calling, 'Help me, help me.'"

"I swam over to him. He was thrashing in the water and I could tell he was fighting something underneath."

Lehrer said he ducked under the water and through his face plate saw a shark. "It was so big I thought at first it was a killer whale," he said.

Three Dead in Two-Car Collision in W. Virginia

ST. MARYS, W.Va. (AP)—Reed B. Day, 30, of Taylorsville, Pa., his wife, Elizabeth, 28, and their 6-year-old son, James, were killed Sunday in a two-car collision on W.Va., Route 2 about seven miles south of here.

State police said another auto swerved to miss a third car pulling on to the highway and collided with Day's car. Day and his wife were killed instantly. The boy died en route to a hospital.

Steelworkers Use Television To Defend Stand

NEW YORK (AP)—The United Steelworkers of America's version of the deadlocked negotiations for a new contract was presented on a television program Sunday.

The program was shown on scores of stations in the country. Union President David J. McDonald said on the program—sponsored by the union—that the only people talking about a strike are steel company leaders. The workers, he said, want a reasonable settlement.

"Steelworkers are not asking for a strike," he said. "If one comes along, it will have been forced upon them by the steel industry."

Winner of Vacation Trip on Vacation

GREAT BEND, Kan. (AP)—Officials of the Great Bend Chamber of Commerce wanted to notify Mrs. Walter Ruggan that she had won a contest sponsored by the chamber. The prize was a week's vacation in Colorado.

They finally located Mrs. Ruggan. She's vacationing in Colorado.

Indiana Prosecutor Blasts Senate Probe

GARY, Ind. (AP)—Metro Holovachka quit under fire as deputy prosecutor of Lake County Indiana Sunday after issuing a bitter blast at the special Senate committee which sought to link him to organized crime in the county.

"I can no longer tolerate the abuse which has been heaped on me and my community," declared the 50-year-old prosecutor.

Denouncing racketeers' insinuations he received hundreds of thousands of dollars in protection money from crime syndicate bosses, Holovachka maintained he had not taken "one thin dime" from gamblers or hoodlums.

Immediately after Holovachka's announcement, his boss, Prosecutor Floyd Vance accepted the resignation and then fired all three investigators in his office. "I want to start with a clean slate," he said.

Erie Conference Makes One Change in Local Pastorates

The annual stationing reports, read at the conclusion of the 1959 session of the Methodist Erie Conference in Meadville Sunday, creates but one change in local pastorates, the Rev. Reed J. Hurst going to Brookline Heights church in Jamestown, N. Y.

Popular in his own parish and the community since he came here four years ago, Mr. Hurst moves into a comparatively new church, erected and consecrated only a year or more ago. Succeeding him in Warren will be the Rev. James Allen, who comes from Fredonia, Pa.

Foreman Says Case Decided On Evidence

By HENDRIX CHANDLER

TALLAHASSEE, Fla., (AP)—The jury which convicted four white youths for the mass rape of a Negro coed decided against the death penalty because there was no evidence of brutality, the jury foreman said Sunday night.

A. H. King, a Tallahassee plantation owner, described how the verdict was reached as an atmosphere of calm returned to Florida's capital city after weeks of tension.

King said that "on the basis of the testimony before us there was evidence of threats with a gun and knife but no brutality, was involved."

The foreman said the case was decided on "the law and the evidence" without "any consideration of race."

"We would have returned the same verdict if the defendants had been four Negroes," King said.

GENEVA CONFERENCE MAY END THIS WEEK UNLESS SOVIET UNION RETREATS

By JOHN M. HIGHTOWER

GENEVA (AP)—The West warned the Soviet Union today, with the Big Four conference entering its sixth week, that the time has come for decisive action on the crucial issue of Berlin.

Some Western diplomats said the conference will end this week unless the Soviet Union does some retreating.

British Foreign Secretary Selwyn Lloyd, returned here from weekend consultations in London, declared the Geneva negotiations cannot go on indefinitely. He expressed some hope that an understanding on Berlin might yet be reached, but left no doubt that in his view the talks here have reached the point of action.

U. S. Secretary of State Christian A. Herter conferred with French Foreign Minister Maurice Couve de Murville in midday and they arranged to meet Lloyd in a strategy session aimed at maintaining the Western solid front in dealing with Soviet Foreign Minister Andrei Gromyko.

U. S. officials said that if Gromyko came up with no new ideas today, the Western powers would expect the talks to go on for probably two more meetings.

Western diplomats still talked of some compromise which would lift the immediate Soviet threat to West Berlin and shelve Gromyko's proposed new one-year time limit on the Western occupation.

Diplomatic sources in Moscow said they believed Premier Nikita Khrushchev and the Soviet Communist party Presidium were drafting new instructions for Gromyko. One diplomatic source predicted that the Geneva conference would end in an agreement preserving the Berlin "status quo with face savers on both sides."

The Western foreign ministers apparently vary in their determination to break off negotiations if Gromyko does not modify his position. Foreign Secretary Selwyn Lloyd of Britain was reported to be far more interested in continuing negotiations than are U. S. Secretary of State Christian A. Herter and French Foreign Minister Maurice Couve de Murville.

Opening the sixth week of the conference, the Big Four were to meet in secret session at Couve de Murville's villa this afternoon.

At the last meeting Friday, Gromyko said his one-year deadline proposal was not an ultimatum. But he called for (Turn to Page Twelve)

Reich Accord on Scientific Study Of Altitude Tests

GENEVA (AP)—The United States, Britain and the Soviet Union agreed today to a three-power scientific study of the problem of detecting high altitude nuclear explosions.

A communique issued after a 50-minute meeting of the nuclear test suspension conference said American, British and Soviet scientists will meet in Geneva June 22 to go into this problem and report back to the conference by June 28.

High altitude blasts represent one of the major unresolved problems in establishing an effective control system to police a ban on atomic and hydrogen weapon explosions. The other major problem has to do with underground blasts.

The high altitude study was proposed a week ago by Ambassador James J. Wadsworth, head of the American delegation.

Jaycee Delegates At Convention To Be Blood Donors

One of the largest blood donor projects ever undertaken in this region is underway today and tomorrow in Buffalo, when all delegates attending the annual convention of the United States Junior Chamber of Commerce are urged by their national officers to donate a pint of blood to the Red Cross, and at least 1,000 of these young men are expected to do so.

Blood donor facilities have been set up by Buffalo Chapter in Memorial Auditorium, with a staff of 100 volunteers and 50 nurses on duty from Buffalo and Rochester Chapters.

Jaycee members not attending the convention are being asked to give blood in their home communities during convention week, thus launching a year-round blood donor program.

Jamestown Area Accident Takes Lives of Four Boys

Jamestown Sun: The death of William G. Brown, 19, of 48 Livingston Ave., early Sunday morning raised to four the toll in an auto accident on the Quaint Rd. about 1:10 a. m. Saturday.

The accident, worst single crash in the county since exactly a year ago when four people died in a collision near Mayville, killed Chautauque County's death toll for the year to 19.

The other three young victims of the crash included:

James R. Martenson, 18, of 129 Palmer St., driver of the car, who died from a left lung hemorrhage.

Clyde Cummings, 18, of 46 Colfax St., who died from a brain hemorrhage caused by a fractured skull.

Gary W. Sollinger, 19, of 119 Williams St., who also died from a brain hemorrhage caused by a fractured skull.

Brown died as a result of severe brain injury at 8:17 a. m. Sunday, 31 hours after the crash. Jerry Peterson, 18, of

NARROW ESCAPE

A quick-thinking 12-year-old town of Chautauque girl extinguished her flaming clothes in grass and then called firemen after a flash fire near the family garage Thursday. Rebecca K. Nichols, daughter of Mr. and Mrs. L. J. Nichols, was treated for arm burns. The Chautauque Central sixth grader dropped a gasoline jug while moving it as a precaution away from an open barbecue grill just outside the garage. The gasoline fumes ignited and flashed back, igniting her clothing. Rebecca jumped into grass near the garage and rolled back and forth until the flames were extinguished. Damage was confined to a bench and a small rug in the garage.

Many Hear Flag Day Program

Despite the low temperature that prevailed, one of the largest crowds in recent years attended the annual Community Flag Day Exercises on the Elk Club House lawn last evening at 7:30 o'clock. The impressive ritual was preceded and followed by entertaining concerts by The Cornplanters, American Legion Drum Corps, which were much enjoyed by the assembly.

Bruce Ayers, Boy Scout executive, chose for the subject of his address "Citizenship" taking advantage of the occasion

to "enlist efforts of all present to become good citizens on behalf of the Flag, the Republic for which it stands, and for the youth of our Nation who will carry the emblem of valor, justice, fidelity and brotherly love to greater heights."

The following inspiring program was presented by officers of the Lodge, under the direction of Dr. John Larson, exalted ruler:

Junior Drum and Bugle Corps Big Hit at Pittsburgh

According to a report from Deibert Anderson the new Junior Drum and Bugle Corps sponsored by Kossuth Encampment No. 98 I. O. O. F., had a most successful and enjoyable trip to Pittsburgh Saturday to participate in the Bi-Centennial parade.

The Corps was in Section III of the parade, assigned to the I. O. O. F., and headed by the Saegertown 90-piece band, followed by the 70-foot float, a replica of the Home at Meadville, carrying six children from the institution. Then followed the Picton, Ontario, band and the Grand Lodge Officers, Lady Rebekahs, and the Warren Junior Drum Corps. Included in the Division was the degree team and Odd Fellow Lodge 108 from Pittsburgh. Unfortunately the Johnstown Station did not carry the parade as was announced previously. It was televised by Channel 11.

All along the line of march the Warren youngsters were given a fine hand for their performance. On the return trip the Warren delegation stopped at Wayside Inn, and gave a concert for the guests at that place. They were told by the superintendent that the 110 inmates of the home average 84 1/2 years and that they represent an accumulated 8,947 years. The Warren group heard one of the Home patients, Charles McFadden, aged 97, vision of 10%, play on the violin. Following the concert the visitors from this city were given a lunch in the dining hall, after which they continued the trip home arriving in Warren about 10:30, tired but happy over an exciting experience.

Next Friday, June 19, the Corps will play in Busti, N. Y.; June 27 at Frewsburg, and on July 3 they will appear at Ripley, N. Y. Their first local appearance will be in the Independence Day parade in Warren. On July 25th they are scheduled to play at Youngsville.

EDWARD C. WALKER
The sudden passing last week of Edward C. Walker, who was laid to rest in Oakland cemetery Sunday afternoon following services with his pastor, the Rev. Donald Spencer officiating, came as a sad shock to his many close friends and associates in Warren and the surrounding area. He was President and Treasurer of the Walker Creamery Products Company, director in the Pennsylvania-New Jersey-Delaware Ice Cream Association, served as first president of the Warren Industrial Development Corporation, and was a life-long and active member of the First Presbyterian church where he had served as a member of the board of trustees. Fraternally he belonged to North Star Lodge No. 241, affiliated bodies and Lodge of Elks. He was also a valued member of both the Conewango Club and the Conewango Valley Country Club. His wife, Lillian Culbertson Walker, mother Mrs. Burr R. Walker, daughter, Mrs. Wendell Peterson and two grandsons, Mark and Lee Peterson, have the sympathy of all who knew and admired his outstanding traits.

KINZUA CLAIMS ADVANCED
According to the Jamestown Post-Journal the impending showdown which will determine whether the \$100,000,000 water impounding project will be at Kinzua Dam or the Conewango Valley came into sharp Chautauqua county focus Friday at Mayville when the Board of Supervisors heard the Kinzua claims advanced by Halsey W. Harmon, of the Pittsburgh office of the Army Corps of Engineers, then voted to hold off any action on a smaller Conewango drainage plan pending further developments.

Thus the Chautauqua County Fathers mark time while the issue unfolds in the halls of Congress and the United States Supreme Court, with possibilities of an important decision being handed down by the latter body today.

DRIVERS MUST UNDERSTAND BEHAVIOR
Last week in Wernersville where Pennsylvania Motor Federation was holding their 53rd annual meeting, delegates and officials were told that "The driver is responsible for the overwhelming majority of automobile accidents, therefore drivers' behavior seems to be the key to accident prevention."

The speaker was Dr. James L. Malfetti, executive officer of Safety Research and Education Project, Columbia University, where intensive studies are being conducted into the human factors in highway accidents.

"Good driving behavior resides in the driver's ability to command a rational personality," Dr. Malfetti said. When a person is irrational he is unable to maintain control over his faculties.

Concerning the rational driver, Dr. Malfetti remarked "We are examining reward incentive in driving. We think it unfortunate that enforcement seems to include only punishment. It is a known fact that reward is more effective than punishment as an influence on human behavior."

However enforcement comes too late too often to thousands of people yearly. Death takes a wide swath with his grim reaper on highways, wiping out valuable, priceless human lives. Surely this is not punishment or reward, but a sure climax to a moment of carelessness behind the wheel, where each driver must make a life or death decision each time he gets behind it.

The human element in accident prevention "remains the most challenging area of interest in the operation of the automobile; therein lies the challenge for all of you... to continue to seek to influence the drivers to follow good motoring habits," Dr. Malfetti said.

WASHINGTON (AP)—How does the government know what it's talking about when, every month, it issues figures on how many people in the previous month had died? Didn't have jobs?
Last week the government announced 66,016,000 people were working in May and that in the same month 3,389,000 were jobless. Did it ask questions of those almost 70 million people?
No, it couldn't, possibly. Its figures on total employed and unemployed are estimates, based on samplings. But the government thinks they are, nevertheless, amazingly accurate.
This is the main way it gets those figures.
The Census Bureau hires 600 part-time people—mostly housewives and college students—who go to 35,000 homes with prepared questions about who, among those living in each house, has a job, lost a job, or is looking for work.

Here and There

A press release just received reminds that Niagara's Fourth Annual Maid of the Mist Festival will be held July 19 to 26 in conjunction with Niagara County's observance of the New York State Year of History celebration. Officials have announced the internationally known Indian festival, usually held in October, will provide a 54-tepee Indian village and ceremonial program as a major contribution to the 8-day Niagara County historical celebration which is expected to attract over 500,000 visitors to the Niagara Frontier. The Indian village, which will be erected at Olcott, N. Y. for the opening of the county-wide celebration July 19, will also be featured at the Lockport, N. Y. celebration July 21. It will be increased in size by the addition of several communal Iroquois longhouses to become a prime attraction at the Old Fort Niagara Bicentennial celebration at Youngstown, N. Y. July 23-26. Indian life in the village will closely resemble that of centuries past. Work chores will include the making of war lances, tomahawks, bows and arrows as well as the more peaceful pursuits of corn-grinding, sewing deer skins into native dress and, of course, Indian bead-making. An Iroquois wedding ceremony will also be held. Sachems, sub-chiefs, warriors, clan mothers and children representing 41 American Indian nations from all sections of the United States will add to the colorful program planned by their Indian hosts, the Six-Nation Iroquois Confederacy. Judith Hitchcock, 20-year old 1959 Maid of the Mist, will reign over the village. Nine hundred of the Indian warriors will also take part in the reenactment of the Battle of La Belle Famille at Old Fort Niagara, July 23-26. An October ceremony will be held to select a successor for the Maid of the Mist title, festival officials indicated.

American families continue to grow in number and size, statisticians for a well known life insurance company report. There were about 38 million husband and wife families in the United States in March 1958, a gain of 5.75 million, or 18 per cent, during the past decade. In the same period, the number of families with three children under age 18 increased 68 per cent, and those with four or more dependent children increased by 59 per cent. The increase in family size comes at a time when the chances of premature death of the father or mother have declined markedly, the statisticians point out. Nevertheless, the probability of orphanhood still is appreciable. Currently, the chances are 40 in 1,000 that a white father aged 25 will die before his newborn child reaches age 18. The likelihood of orphanhood rises rapidly with the age of the father at the time the child is born. The chances mount to 59 at age 30, to 93 at age 35, to 146 at age 40, to 221 at age 45, and to 323 at age 50. The newborn child is not nearly as likely to lose its mother before reaching age 18. The chances are 15 in 1,000 if the mother is 20 when the child is born; then climb to 22 at age 25, to 33 at age 30, to 50 at age 35, to 76 at age 40, and to 115 at age 45. "Orphanhood generally imposes many disadvantages on children, particularly those at the younger ages," the Metropolitan statisticians conclude. "In cases where the breadwinner of the family dies, the child is often deprived of the mother's care because she needs to find gainful employment. The orphaned youngster may also have to forego the benefits of a higher education which had been planned for him. Fortunately, the American people are increasingly making provision to meet the contingency of premature death through life insurance, systematic saving, and other means. At the end of 1958, about 112 million policyholders in the United States owned nearly 500 billion dollars of life insurance in private companies." (Turn to Page Fourteen)

Complete Political Reform Is Right There in Blueprint
BY PETER EDSON
NEA Washington Correspondent
WASHINGTON (NEA)—Fund for the Republic—which hasn't been heard of much for quite a spell—is stirring up the animals again with its latest report on "The Condition of Our Political Parties."
That this condition ranges from "Not good" to "Terrible," even the most biased partisans will agree.
Both major parties are broke—which is also the condition of the Communist "Daily Worker." People just don't have anything for politics in these prosperous times.
Neither the Republicans nor the Democrats can agree on what they stand for or against.
As for either party exercising any control over its run-of-the-mine members or its representatives in government—it is to laugh.
FIVE OF THE NINE recommendations which Fund for the Republic's report makes for correcting these conditions will strike most politicians just as funny.
They are, in oversimplified form:
—Tax-supported financing for both major parties.
—Expand two-party competition to all states and all congressional districts.
—Provide social and office facilities for both parties on the Mall between White House and Capitol.
—Four-year terms for representatives, eight-year terms for senators, electing half the senators every four years.
—Find a mathematical formula to give more seniority to congressmen who come from two-party states.
It is noteworthy that the author of this report—Prof. Stephen K. Bailey of Princeton—has only one vague suggestion as to what this formula might be. It's a tough problem.

NEW YORK (AP)—Peter Gunn, the pimp private eye with a Madison Avenue wardrobe and dynamite in his fists, recently strayed far from Mother's for the first time since the TV series hit the nation's screen last September. And, as Craig Stevens, actor, he's been having a wonderful time savoring the impact of television.
Stevens and his wife, actress Alexis Smith, were in Florida for a few days on sponsor business and then came on to New York for a period of intensive theatre-going and friend-seeing.
"It's the first time I've been out of Hollywood since the show started," said Stevens happily, sipping a vodka-and-soda. "And it's been fascinating. People stop me on the street and tell me how much they enjoy the show; truck drivers yell hi at me. They call me Pete, Mr. Gunn—but, thank heavens, mostly by my own name. That was the only thing that has worried me about the show. It's the thing that worries all actors when they are cast in one role for a series: The loss of my own identity. But I'm satisfied now that people think of me as Craig Stevens who plays Peter Gunn."
Stevens, who has been a well-employed and successful leading man in films and TV for years, credits Blake Edwards with the show's great success. Edwards writes, directs and produces "Peter Gunn."
"He didn't want a detective in rumpled clothes or a trench coat," said Stevens. "He wanted a conservative, crewcut type in custom-tailored clothes. The first question he asked me was whether I'd have my hair cut for the pilot film. Not that my hair was so long—it was just an average leading man haircut. The clothes are a problem. I've got about 40 suits, and I've torn up six of my double suits in fights. You have to have these second copies because sometimes right after a fight I have to go on to a scene with Lola (Albright, who plays the girl) and I have to look natty. No time to make repairs."
Stevens says that he doesn't think he'll get tired or bored playing Peter Gunn.
"Blake even thought of that," he said. "He gave me a piece of the production, explaining that if

FAIR SKIN AND CANCER
Sunlight causes more cancers than X-rays and radioactive fallout from nuclear weapons. The exposed areas of skin suffer most, especially in redheads or blonds with a fair complexion. This type of coloring is found largely in Northern Europeans, the Scotch, English and Irish.
Skin cancers are more likely to occur in southerners who get more sunshine than northerners. The rate is up also in Colorado where the altitude is high and cosmic radiation is greater. The rate on the exposed skin, for example, is 26 among men in the north, 120 in the south, and 80 in the west.
All cancers are serious but those on the skin are easily recognized and removal is no problem. As a result, 95 per cent or more of the victims survive. The lesions are treated in a variety of ways: Surgery, X-ray, radium, or electrocauterization. Much depends on the size and location of the lesion as well as the skill and experience of the physician in the use of these methods.
Many skin malignancies develop in scars, moles, or other skin blemishes that have existed harmlessly for years. The condition is suspected whenever a sore or mole increases in size, changes shape, deepens in color, bleeds, ulcerates, or does not heal. If any of these manifestations are present, stop treating yourself with pastes and ointments and see your physician.
One of the most common types of skin cancers develops from pigmented spots on the exposed areas of the face, neck, and back of the hands. These lesions (keratosis) are light brown to black and removal is in order if the surface bleeds or thickens and becomes dry, rough, and scaly. When the top scaly layer is pulled off, the base may look like new skin but within a few days the crust reforms.
Dr. Van Dellen will answer questions on medical topics by letter if stamped, self-addressed

NEW YORK (AP)—Labor turnover is costly in many industries—some of which complain loudly about competing with cheap labor costs abroad.
The rate of turnover varies widely among industries and is particularly prevalent among the youngest workers—the ones that companies have gone to pains and expense to train.
On the other hand, some firms complain because seniority rules and fringe benefits tend to freeze skilled labor to its job, making the chance to be called back to the old job with all its accumulated benefits than to start in a new one at the bottom of the ladder.
From management's point of view, seniority and fringe benefits have become such a large part of labor costs that employers hesitate to take on new workers when business expands seasonally or temporarily, preferring to pay overtime to present help as less costly in the end.
Labor turnover hurts a company in various ways.
It costs money to train a replacement — not to mention loss from having trained the one who moved on. Often turnover involves bringing a turnover paid employee (such as a piece worker) into a higher paid job with higher minimum standards. Turnover also often means work spoilage, a slowdown in output and sometimes production shortages which may lose sales.
The cash costs to all industry of labor turnover is estimated by the Wolf Management Engineering Co. of Chicago as around one billion dollars a year. A survey of several industries indicates the loss from lower production rates is even higher.
Replies from 768 textile and apparel firms show an average loss of \$398 on each employee who leaves his job after being trained, to be replaced by a green hand. The annual turnover in this industry is put at 30 per cent. Cutting back on this loss might help American firms to meet competition from low cost foreign textiles.
What can be done to cut down turnover?
With the young the task is hard. They tend to go from job to job seeking the one that pleases them most.
But some find good in America's historically high labor turnover. They contend such mobility keeps the economy flexible, opens up new industrial regions, makes it possible for new industries to start and grow.

MRS. VINCENT JULIAN, JR.

At 11:00 a. m. June 13, in Holy Redeemer church, Father Joseph Seyboldt performed a double ring ceremony to unite in marriage Miss Marsha Roanne Hicks, daughter of Mr. and Mrs. George Hicks of New Castle, and Vincent Julian, Jr., son of Mr. and Mrs. Vincent Julian, also of New Castle. Mrs. Thomas Donnelly was at the organ for the wedding music.

The bride chose a ballerina gown of embroidered Swiss organdy and carried a basket of white asters and lily of the valley combined with pink Sweetheart roses. Her gown was styled with simulated bodice, having an empire bow for ac-

cent; her shoulder length veil of imported silk illusion was attached to a hat of embroidered organdy which matched her gown.

As her maid of honor, Miss Betty Ann James, of New Castle, wore ballerina length pink silk organza and carried a summer basket of pink asters and white Sweetheart roses.

Robert Johnson, New Castle, served Mr. Julian as best man.

Following a wedding dinner for the family at Penn-Laurel, the couple left for New York City. Both young people are graduates of Westminster College and members of the faculty at Beatty Junior High School.

Sugar Grove's Eldest

Mrs. Kit Frank, oldest resident of the Sugar Grove community, observed her 95th birthday anniversary June 9 with a family celebration at her home and many friends coming to call and remembering her with beautiful flowers and other gifts. The accompanying anniversary picture was posed for Stokes Studio.

Her children present included William, Kenneth, Hortense, Marian, Allen and James Frank, Mrs. Max Pickard and Mrs. Jen Williams, with their families. Another son, Horton, called his mother from Tampa, Fla., and other calls were received from Robert Williams and Billy Frank, grandsons who were unable to be on hand.

The gathering also included two great-grandchildren, Michael and Rebecca Jean Steele; and a new great-grandchild, Jimmy Dean, was born to Mr. and Mrs. Jerry Frank on the anniversary date.

Out of town guests came from Walton, Falconer, Bemus Point, Sidney, Unadilla and Jamestown, N.Y.; Locust, N.J.; and Warren.

Among the many greetings

and gifts received by the honored one were three beautifully-decorated birthday cakes.

Mrs. Frank has spent most of her life in Sugar Grove, enjoys good health for one of her age, still possessing a keen mind and wonderful sense of humor. She enjoys visiting with her family and friends and frequent automobile rides.

Children's Skits On Betty Lee Broadcast

Members of Warren's Children's Theatre will be heard in two radio skits on the Betty Lee program at 12:20 tomorrow and Wednesday.

Tuesday's skit is entitled "Adventures in Bookland", the setting a book store where a woman has come to select some books for gifts. She discusses various books with the clerk, and as the clerk describes them to her, scenes from the book come to life. Scenes are heard from such old favorites as "Little Women", "The Mystery of the Empty Room", "Flippy", and "The Matchlock Gun".

The cast of "Adventures in Bookland" includes Betsy Werner, Mary Hackett, Debbie Johnson, Lynn Schindler, Kathy Steinkamp, Betsy Colt, Jane Washington, Robbie Schorman, Raymond Wanner, Billy Dixon, Hank Harbert, and Tamara Hopkins.

Wednesday's skit, "The Trees at School", is written in verse and concerns Mother Nature and the various trees of the forest who are her students in school. The cast includes Isabelle Molinaro, Mary Ledebur, Cynthia Kopf, Hannah Harbert, Linda Barney, Susan Anderson, Kay Gorenflo, Bonnie Sager, Wendy Werner, Jimmy and Van Crozier, Jeannie Newmaker, and Amy Harbert.

Children in both skits range in age from kindergarten through sixth grade.

Manderson, of Coeyman avenue, Nutley, N.J., and her fiancé is the son of Mr. and Mrs. George Craker, of this place.

The bride-elect is a graduate of Nutley High School and Upsala College and received her master's degree in social work from Rutgers University.

Mr. Craker received a bachelor of science degree in commerce from Rider College, where he majored in production management and industrial relations. He is a member of the International Fraternity of Delta Sigma Pi, and the Society for the Advancement of Management.

YOUNGSMEN BPW ENJOYS OUTING

YOUNGSMEN—Twenty BPW members attended the annual club picnic at the cottage of Dr. and Mrs. Stullings on Lake Chautauqua, enjoying a delicious chicken dish provided by the committee and tureens brought by the others. Edith Young gave the supper grace.

Evelyn Overturf conducted a brief business session, when it was voted to place a book in the library in memory of Nellie Anderson, first president of the club. A report was given by Dorothy Henson on library funds turned in from Tag Days, and use of part of these monies for the new atlas and stand. It was suggested the remainder be used for book purchases, since the club will be giving additional money for encyclopedias to be purchased in 1960.

Reporting on a president's meeting she attended, the president also made several suggestions for club betterment. A note of thanks was given the Harners for their generous part in making possible a handsome profit from the mink capelet recently awarded Helen Driscoll will again get tickets for a Chautauqua play and it was decided to see "The Diary of Anne Frank."

Serving as committee for this successful event were Margie Finlan, Ethel Yagge and June Carroll, assisted by President Overturf and the hostess, Mrs. Stullings.

MRS. RICHARD MITCHELL BLAIR

When Miss Marilyn Few Green, of Chicago, became the bride May 30 of Richard Mitchell Blair, son of Mr. and Mrs. Harold W. Blair, of Warren, she carried with her an antique talisman.

It was a heavy yellow gold ring with gold stone mosaic setting, first worn by a great-grandmother of the Few clan, whose Colonial ancestor, William Few of Georgia, had signed the Constitution of the United States. The ring has been passed from bride to bride of the Few family for many generations.

Miss Green, daughter of the late Mr. and Mrs. Clinton C. Green, was given in marriage by her sister Betty's husband, Robert Franklin Graham, Chicago. Preceding the nuptial high mass in St. Gertrude's Roman Catholic church, an organ recital was played by Stanley Amstette. Thomas Corley, tenor, was soloist.

The bride's gown was fashioned of bouquet taffeta in candlelight ivory. Softly encircling the shoulders was a fall of rosepoint Alencon lace, re-embroidered with seed pearls and paillettes; falling from the princess bodice was a regal Watteau train. Her veil of silk illusion was captured in an Alencon lace cap crowned with star pearls. She carried white orchids, stephanotis and baby ivy leaves.

There were four attendants: Miss Doris Antognoli, as maid of honor; Miss Dolores Torano, Mrs. Michael D'Aangelo, sister

of the bridegroom, and Miss Virginia Mecchia, all of Chicago. Their sheath gowns in ice blue chiffon were matched with petal headpieces of small flowers. They carried sprays of white carnations interlaced with green baby ivy.

Groomsmen for Mr. Blair were George Grune, White Plains, N. Y., as best man; Walter Hines of Evanston, William Condrell and James Turk, both of Chicago.

The rehearsal dinner for 18 guests was given by the bridegroom's parents in the Sheridan Room of the Edgewater Beach Hotel. Out of town guests at the breakfast and reception in the French Room of the Georgian Hotel, Evanston, were Mr. and Mrs. Blair, the bridegroom's parents, and two aunts, Miss Mildred Blair and Mrs. Charles G. Brown, all of Warren.

After a wedding trip to the island of Majorca and Spain, the couple will be at home at 542 West Surf street, Chicago.

Mr. Blair is a graduate of Phillips Andover Academy and Duke University, and is associated with Pan American World Airways in Chicago. A few years ago, Mr. Blair gave lectures in Warren and surrounding towns, relating experiences of his year and a half cruise around the world on the Brigantine Yankee with Captain Irving S. Johnson, and showed colored movies he had taken on the cruise.

COMBINED CIRCLE

Martha Graf and Doris Bloomster Circle of Grace Methodist church will have a picnic at the summer home of Mrs. Gerald Johnson in Cherry Grove at 1:00 p. m. Wednesday. Any member needing transportation is asked to call Mrs. Norman Johnson, RA 3-2546 or Mrs. Sam Fox, RA 3-8168; all attending to bring turban and table service. In case of rain, the meeting will be held in Fellowship Hall of Grace Methodist church.

ALA CLUB TUREEN

A tureen supper will be enjoyed by members of ALA Club at the home of Ellen Valentine on Cobham Park Road at 6:30 p. m. Tuesday. Those attending are reminded to bring a gift for the "white elephant" sale.

RUTH M. HUCK

Daughter of Mr. and Mrs. R. L. Powers, 12 Water street, and 1953 graduate of Warren High School, will graduate from McLean Hospital School of Nursing in Waverley, Mass., June 22. McLean is a division of the Massachusetts General Hospital of Boston, devoted to psychiatric care. During her training, Mrs. Huck served as Student Council representative; secretary of the Student Association in her second year, and president in her third year.

Following her graduation, Mrs. Huck will complete work for bachelor of science in nursing at Eastern Nazarene College in Wollaston, Mass. She will become a member of the McLean Hospital faculty in September as clinical teaching intern in psychiatric nursing. Mrs. Huck is the wife of Robert Huck, son of Mr. and Mrs. Emmet Huck, of North Warren, who is enrolled in his second year in McLean Hospital School of Nursing.

Girl Scouts of Troop 3 Are Hostesses For Tea

Twelve Girl Scouts of Troop 3 entertained their mothers and other guests at a lovely tea in the home service auditorium of the Manufacturers Light and Heat Company, the event observing their completion of a series of five cooking classes conducted by Mrs. Ruth Randinelli, home economist.

In the accompanying Times-photo by Shattuck, the young hostesses are pictured, left to right: Carolyn Glotz, Karen Tonkin, Deborah Manelick, Betty Martin, Doris Way, Dorothy Spangler, Vicki Wilcox, Shirley Schwone, Margaret Anderson, Jane North, Karen Birt, and Sherry Hanson, Stanting, at the rear, are their leaders, Mrs. Mildard North and Mrs. George Wilcox.

These Scouts have earned two proficiency badges, cook and housekeeper, by attending each class and compiling a scrapbook. The gas company presented each a Certificate of Merit for meeting requirements of the cooking school.

Lesson material included a discussion of nutrition, featuring the Basic Seven; breakfast and lunch preparation, with foods eaten during class sessions; and baking of various kinds of cookies. For their tea, the girls prepared pink lemonade punch and cookies.

Mrs. Wilcox, troop leader, presented Mrs. North, assistant leader, and Mrs. Randinelli, teacher, with a bouquet of beautiful roses at the tea.

PLCB Employees Hold Annual Dinner-Dance

Approximately 110 state store workers and wives were in attendance at the Marconi Outing Club last evening, when Pennsylvania Liquor Control Board employees from 10 northwestern Pennsylvania counties enjoyed their annual dinner-dance.

Counties involved were Warren, McKean, Potter, Cameron, Elk, Clearfield, Jefferson, Crawford, Clarion and Venango, with guests from Erie and Mercer counties, and from Pittsburgh.

The committee handling arrangements, all from Warren county, were L. E. Johnson and L. N. Schuler, of the Warren store; Stanley L. Lawson, Youngville store; and A. J. "Moon" Scallie, Sheffield store.

Following dinner, a short program was enjoyed with Supervisor Charles H. Sontag, of Warren, acting as toastmaster. Principal speaker was Robert Brant, of the Titusville store, who is state secretary of the Independent Association of PLCB Employees.

Music for dancing during the remainder of the evening was provided by the Ford Winner Trio.

Bureau in reaching totals and conclusions on employment, has some other checks to guide it, too.

The BLS has arrangements with factories around the country to send it each month their payroll count—meaning how many people they have on their payrolls. These include not only production workers but white collar people, salesman and bosses, too.

The BLS gets other information from the factories. For instance, the number of hours their employees worked, their hourly and weekly earnings, and the kind of industry they're in.

Still another check is made through the claims jobless workers around the country put in for unemployment compensation.

This is not always a precise rundown on the unemployed. Each week many unemployed people, being out of a job so long they have used up all their unemployment benefits, disappear as a statistic from unemployment compensation books.

Before the 1930s there were no direct measurements of the number of jobless persons. The present system of checking got its start during the depression when, because of mass unemployment, there were widely conflicting estimates on the total.

CLARENDON SCHOOL EVENTS REPORTED

A farewell party was given recently at Kalfus Rod and Gun Club for Clarendon sixth graders who will be coming to Beaty Junior High in the fall. The affair was given by the Clarendon Parent-Teacher Group and included croquet, badminton and volleyball, a picnic supper and evening of dancing. A vote of thanks is extended to the club and to the parents who helped make the affair a success.

Another event held at the Rod and Gun Club honored Safety Patrols of the Clarendon Borough School, with finances provided by Warren County Motor Club and the following persons assisting: Mr. and Mrs. Cliff Larson, Col. and Mrs. Ayres, Mr. and Mrs. Joe Lindmark, Mr. and Mrs. William Rhoades, Mr. and Mrs. Ernest Nollinger, Mrs. Howard Thompson, Mrs. Jack Sleeman.

RECEIVES STRIPE

Miss Nancy Ennis, North Warren, who is a student nurse at Arnot Oden Memorial Hospital-School of Nursing in Elmira, N.Y., received the first stripe on her cap at a very impressive candlelight service held at the hospital Sunday. The stripe signifies satisfactory completion of studies for the first year. Attending the ceremony were her parents, Mr. and Mrs. W. R. Coole, of North Warren.

4-H CLUB MEETING

Second meeting of the "Stitch-in" and "Fittin" 4-H Club was held at Warren Grange Hall, with two leaders and 22 members in attendance. The following meeting schedule was announced for the remainder of the summer: June 17, 24; July 8, 15, 29; August 5. After a period of songs and games, refreshments were served and the girls were measured for pattern sizes.

April Report on General Business Satisfactory One

University Park General business reached a new all-time high in Pennsylvania in April and industrial activity also reached a new peak for the month.

This was reported today in the Pennsylvania Business Survey, the magazine of the Bureau of Business Research at the Pennsylvania State University.

The Index of General Business climbed to 189, a gain of 6 per cent over March. It is based primarily on bank deposits, industrial power sales, and factory payrolls.

The Index of Industrial Activity reached 120 in April, a gain of 3 per cent. It stood at 116 in March and at 106 a year ago. It is based on coal production, factory hours, and industrial power sales.

Both indices use the years 1947-49 as 100.

Other indicators that reached new April records are department store sales in the Third Federal Reserve District, bank deposits, industrial power sales, postal receipts, and telephones. Steel production in Pennsylvania in April reached 2,941,000 net tons, a figure that was more than double that of a year ago when the industry as a whole operated at very high levels.

Unemployment shrank, both absolutely and percentage-wise, despite an increase in the civilian labor force. An estimated 413,000 were out of work in the middle of the month. This was 8.3 per cent of a civilian labor

BUSINESS BRIEFS

NEW YORK (AP)—Contracts totaling 47 million dollars for development and production of high-powered air search radar systems have been awarded by the Air Force to Sperry Gyroscope Co., a division of Sperry Rand Corp., the company said Friday.

WALTHAM, Mass. (AP)—Raytheon Co. has developed for North American Aviation's Navy A3J Vigilante attack bomber a precision radar-navigator which the company says will pinpoint targets.

ELIZABETH, N. J. (AP)—Burby Biscuit Corp. will enter the specialty cracker field, George W. Burby, president, said. The company will also market an expanded line of bread water items.

NEW YORK (AP)—International Business Machines Corp. through the Federal Systems Division, has been awarded a contract by the federal aviation agency for design studies relating to joint use of air traffic control and air defense facilities.

force of 4,640,500. This percentage is still well above the national average.

The consumers' price index for the State rose to the same all-time record high first reached last November, 123.8; but retail food costs dropped to the lowest point since December 1957, 119.3.

The summary for the Warren area follows:

Warren business for April was characterized by three series at new record peaks—industrial power sales, postal receipts and telephones. Building operations were the second highest since 1951.

The trump coup consists of shortening yourself in trumps so that you won't have to lead up to an opponent. There are all sorts of trump coups but this one as played by Ginna (Mrs. William) Potts of Midland, Tex., is most unusual.

My only comment on the bidding is that it was interesting and that the final contract was a good one.

West opened and continued diamonds. East discarded a heart on the second diamond and Ginna ruffed. She continued with a club to dummy and a successful spade finesse followed. The hand would have been easy if she had simply gone back to dummy for another finesse but she was afraid that the second club would be ruffed. So, Ginna played the ace of spades and East was left with the ace of hearts and two apparent spade tricks.

They were only apparent; the coup took care of one of them. All Ginna did was to run dummy's clubs and discard a heart on the fourth lead of that suit. On the fifth club lead East had three losing choices; he could ruff high, ruff low or discard. He chose to discard.

Ginna discarded another heart and led a diamond. Again East had three losing choices. He discarded again Ginna ruffed and threw East in with the king of hearts to force him to play spades to her.

A—Bid five diamonds. Your partner is inviting a slam and you should show him your first round diamond control.

Attacked Trees Should Sprout New Foliage

Epidemic of tent caterpillars which struck Pennsylvania this summer is not likely to return next year.

In a press release, Maurice K. Goddard, secretary of Forests and Waters, said "The Eastern Tent Caterpillar which defoliated black cherry and other trees in the state is now infected with a virus which causes a wilt disease in the insect and the prospects for 1960 therefore, look good."

"Another species, Forest Tent Caterpillar, is now under attack by a parasitic fly, so we may look for a reduction in its numbers too," Goddard added.

If weather is normal and caterpillars are decimated by their natural enemies, the defoliated trees will sprout a new growth of foliage and return to good health.

Bleech Anniversary Is Specially Marked

Mr. and Mrs. Theodore "Fred" Bleech, Sr., were pleasantly surprised with a 45th wedding anniversary dinner and special Divine Liturgy at St. Michael's Greek Catholic church in Sheffield Sunday. The Ladies' Guild prepared the dinner; the Sodality decorated the tables and served.

In honor of the jubilarians, \$1,000 was donated by the family to the building fund of the new Ukrainian Catholic Seminary and St. Basil's College in Stamford, Conn., from which their son, Theodore, Jr., was graduated.

A special Papal Blessing, mounted on a beautiful plaque, plus a lovely scroll from the Ukrainian Catholic Bishop of Stamford, were presented to the couple by the pastor.

An invitation was extended to the congregation to share in the happy occasion. Besides the family and friends, present were the Rosary Society, Sacred Heart Society, Providence Association, and the choir. Out of town guests came from Washington, D. C.; Scranton and Pittsburgh.

Students of Eleanor Swanson in Recital

A capacity audience greeted piano students of Eleanor Swanson in her spring pupil recital held in the Woman's Club. Most gratifying to the teacher were comments that all the pupils gave an excellent performance.

Exactness in preparation and technical ability, combined with a wealth of tone from the advanced students down to the younger students, were outstanding qualities, with the following participating:

Mary Prodromou, Carol Lundberg, Dale Schmaier, Susan Probst, Tom Hibner, Nancy Stromdahl, Steve Beyer, John Erickson, Stephen West, Patricia McCurdy, Mary Ann Smoens, David Foster, John Curtis, Ann Redding, Larry Olsen.

Lynda Swanson, Susanne Christensen, Jean West, Jean Kishauer, Loretta Frederickson, Ellen Mills, Diane Geddes, Deborah Foster, Rita Hesley, Diane Curtis, Thomas Hesley, Susan Laurich, Patsy Landquist, Carolyn Moore.

TIONESTA ROAD

Titusville Herald: The portion of the Colonel Drake Highway (Route 36) between Pleasantville and Tionesta presently under construction has been completely closed to all traffic in order to speed up operations. The stone base is being laid this week. W. L. Dunn, Cochran contractor whose firm is doing the work, requested all vehicles to refrain from using the highway until it is opened to traffic. "After the base is laid, a single vehicle traveling over it could delay construction work two or three days," Mr. Dunn said. A special meeting between Mr. Dunn, and members of the Tionesta Lions Club was held Monday evening in the Firemen's Community building at Tionesta. The meeting was held at the request of Mr. Dunn, who explained the delay in construction to date and promised that everything possible would be done to complete the laying of the blacktop by Aug. 1. Mr. Dunn explained that his contract allowed him 120 working days to complete the project. Due to inclement weather and an early closing date set by the state, only 55 working days could be used last summer. At present, construction is running ahead of schedule according to working days allowed.

Formerly associated with Atlantic Refining Co. in Philadelphia, Mr. Doub brings to United 23 years of experience in oil refining. A native of Chambersburg, he attended Glen-Nor High School and Drexel Institute in Philadelphia.

As chief inspector, Doub will have responsibility for checking all equipment to assure compliance with the various safety codes governing oil refineries.

The continuous inspection program supervised by Mr. Doub will include the use of such newly developed devices as the Pentron, which measures metal thickness with a radioactive substance, and also the audigauge which measures metal thickness with a high frequency sound signal.

ONLY A TEDDY BEAR

Oil City firemen, police and employees of the Oil City Sand and Gravel Co. searched Oil Creek and the Allegheny River for the reported body of a child Friday. Employees of a firm located along Oil Creek called police after spotting the body with a pair of field glasses. Firemen found the body, an extra large size teddy bear, near the mouth of the creek. It apparently was tossed into the creek somewhere along North Seneca street and finally got water-logged near the river and sank.

Ace Reliever For Pirates Praises His Teammates

PITTSBURGH (AP) — Elroy Face, the only major league pitcher to win 10 games so far this season, says he has had lots of help from his Pittsburgh Pirate teammates and plenty of luck.

The 31-year-old right hander — No. 1 relief hurler for the Pirates — hasn't lost a game since May 30, 1958. Since then he has been given credit for 15 victories and 22 saves.

Game saver Roy, as many of his teammates refer to him, picked up his 10th victory of the season Sunday when he came on in the eighth inning to stop the Los Angeles Dodgers in the first game of a twin bill.

The game was tied at 3-3 when Pirate Manager Danny Murtaugh sent to the bull pen for Face. He gave up two hits in the eighth but held the Dodgers scoreless. Then he struck out the side in the ninth.

Meanwhile, the Pirates put on a three-run spurge in the eighth and Face walked from the mound with his 10th victory of the season.

Before Sunday he had pitched in five of the Pirates' last seven games. He rested Saturday when Ron Kline went the distance in defeating the Dodgers 5-3. After Sunday's effort Face said:

"I felt real good out there. I got a rest Saturday and that helped. I don't seem to require much rest and my arm feels in fine shape."

The Pirate pitching ace hasn't started a game since 1957. "I'm well satisfied to stay a relief pitcher," he said.

Face has pitched a total of 40 1-3 innings in relief roles this year while picking up his 10 victories. Over that stretch he has fanned 38 batters, issued only seven bases on balls and allowed but two home runs. He has a 1.13 earned run average.

JUNIOR WELTER CHAMP—Carlos Ortiz, 22-year-old Puerto Rican-born New Yorker, flexes his muscles triumphantly after winning the junior welterweight title in New York. He stopped Kenny Lane with a 2nd-round TKO because of a deep cut over Lane's right eye.—NEA Telephoto.

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP)—Carlos Ortiz and Kenny Lane were just settling down to a hard night's work when a cut over Lane's right eye gave the Puerto Rican-born New Yorker the newly revived junior welterweight title.

The controversy over the sudden ending probably will continue until Friday night's Madison Square Garden principals meet again in an Aug. 21 or Aug. 28 rematch.

Dr. Harry Kleiman of the New York State Athletic commission advised Referee Harry Kessler to stop the bout between the second and third rounds. Under New York rules it went as a second round technical knockout. In National Boxing Assn. territory it would have been scored as a third round TKO.

"It was a butt," complained Lane, the talented southpaw from Muskegon, Mich., who is the No. 1 contender to lightweight king Joe Brown.

"It was a right hand punch," said the 22-year-old Ortiz. "But our heads met after the punch." About 10 stitches were needed to close the gash.

Lane, bitterly disappointed, said "they should have let it go a couple rounds more. I was just getting to him. I would have knocked him out in the eighth or ninth."

Ortiz, who floored Lane for a four-count earlier in the stormy second, said he would welcome a rematch.

"I know I'll knock him out next time," he said. "I'll show everybody I would have won without any argument."

Two officials gave Lane the first and Ortiz the second. Judge Arto Aidala scored both rounds for Ortiz.

"We keep this man working," means Casey Stengel.

Maxwell did it again Sunday. Whitey Ford was rolling along with a four-hit shutout. He had a 2-0 lead with two out in the eighth.

Two singles then boom. Maxwell hit a tape measure drive into the first row of the third deck in right field. That did it. 3-2. Just to rub it in, the winner was Frank Lary who had just left the game for a pinch hitter.

It was Maxwell's ground rule double that drove in the first run of the second game when the Detroit Tigers knocked out Duke Maas in a four-run first inning. They went on to sweep the doubleheader 8-2, moving into third place.

Chicago clung to the American League lead by a half game. The White Sox came from behind twice to top Baltimore 9-6 and 3-2 in 10 innings, dropping the Orioles into fourth place. Cleveland kept right on Chicago's heels by beating Washington twice 9-5 and 12-6 with Minnie Minoso driving in

Who is the top winner among major league pitchers? It is too bad the quiz had is over on television. A man could run up a fortune with this question. Maybe you think it is Lew Burdette. Or Warren Spahn. Or Sam Jones. Or Early Wynn. Or Hoyt Wilhelm. You are wrong.

The name is Elroy Face of the Pittsburgh Pirates. As of June 15, 1959 he stands at the head of the class with a shiny 10-0 record. In fact, he hasn't lost a game since May 30, 1958. The only other pitcher who can say that is Bobby Feller and he has been retired for years.

Face is a relief pitcher, of course. Danny Murtaugh called for Face Sunday in the first game against Los Angeles. The score was tied at 3-3 in the eighth, and Face came in and shut the door in the face of the Dodgers, striking out four while the Pirates pulled it out 6-3. They also won the second game, 5-2, Vern Law beating Carl Erskine on a pair of home runs by Dick Stuart.

When Milwaukee was shut out 6-0 by Chicago's Dick Drott, just off the disabled list, the San Francisco Giants missed a chance to take over the National League lead. Instead, they dropped 1 1/2 games behind the Braves by losing two at Philadelphia 7-5 and 6-3. Gene Feese's hitting carried the day for the last place Phils with a three run homer in the first and three RBIs in the second.

St. Louis won its sixth in seven starts 5-4 on Gino Cimoli's single with the bases loaded in the ninth inning of the opener but Cincinnati came back to get a split, 3-2. Jim Brosnan, traded to the Reds by the Cardinals six days earlier, beat his old mates.

Drott, a 15-game winning rookie in 1957, showed his old form for the Cubs while scattering seven Milwaukee hits. He had pitched only 10 2-3 innings before Sunday.

Roy McMillan broke a finger and was lost indefinitely to the Reds in the opener at St. Louis, won by Lindy McDaniel in relief.

Players Bat For Enlarged Foundation Ballplayers, professional and amateur, will take the field on National Foundation Baseball Day, July 4, to aid in the expanded program for benefit of arthritis, birth defects and polio victims.

Last year, American Legion, Pony League, Babe Ruth League, National Baseball Congress, major and minor leagues and many little leagues contributed over \$50,000 to The National Foundation.

This year the Foundation has a heavy financial patient aid load because it is dealing with a still increasing need for polio care while at the same time is beginning work in the new areas of its expanded program.

Shamrocks Suffocated By Knights

Ken Sorenson out-did his usual round duties by limiting one un to Bradford Shamrocks as letts Machine Shop Black ights used the three hits altted them in blacking out the shamrocks 1-0 in bottom of the eventh Saturday.

The independent softball game as-played on the West Side Hamond.

Irish center fielder Hammond truck what was later the marng-but off Sorenson in the first pping after two teammates vera out.

Only Shamrock threat came n, top of third on the only two walks issued by Sorenson. Both runners advanced on a sacrifice nl were stranded by two succeessive strikeouts.

Knights retaliated in their half of the third on a walk and attempted sacrifice bunt to third baseman Yoko who threw to second in time to reture the lead runner. Cummings reached first for the Knights by the hit pitch oute. H Berdien then walked, roading the bags. The clutch hit pever materializing for the waiting Knight runners.

Warren nine threatened to no avail in following two innngs. In bottom of seventh, with one away, pitcher Sorenson blasted a long triple down right field ine, scoring on the right fielder's mishandling of the ball.

Sorenson ended the game with S. Cummings, B. Schenck and K. Sorenson batting 1-for-2 each to account for the three Rocket hits.

Next Saturday Betts will travel to Jamestown to play against undefeated Moose of that city. Monday, June-22, Eiks of Warren will try the Knights at State Hospital.

Rockets and Drexler Finish Off Jamestown Merchants in Shutout

Batting in two of the three runs, hitting 2-for-2, and smashing out a homer, Drexler paced the Warren Rocket nine in a shutout over the visiting Jamestown Merchants Saturday.

Shifting from the soaking Warren State Hospital home diamond to Memorial Field, Rockets blanked the Merchants 3-0 in a game that was entered on Penn-York league books.

Drexler himself crossed over the plate twice to be held responsible for two runs while batting in the third.

In fourth inning third baseman Joe Castagnino, batting 3-for-4, tripled to score Drexler. In the sixth Drexler, left fielder, stepped to the plate, connected for a circuit hit, coasting in Nick Creola who had walked. Drexler followed across with the final run.

Thompson was in rare form on the Rocket Hill allowing four hits. Merchants weren't able to muster an attack to score on the four hits however. Swan, high school twirler, gave the Rockets nine hits.

By HUGH FULLERTON JR.
Associated Press Sports Writer
MAMARONECK, N.Y. (AP) — Almost anybody could have won the 1959 U.S. Open Golf championship if he could have shot a good final round in the wind and cold at Winged Foot.

Billy Casper won it with his first three rounds and a putter that stayed red hot through the fourth Sunday. His 72-hole score was 282.

It could have been Ben Hogan, who won the British Open in worse weather conditions than these. It could have been Bob Rosburg or Mike Souchak, who were very much in the running up to the last few holes.

It could have been Sammy Snead if the weather had permitted two rounds on Saturday when he shot the best round of the tournament and was raring to go.

Instead it was Casper, a patinchy, pleasant 27-year-old who has been a professional only about five years and who isn't regarded as an outstanding player from tee to green.

The weather at the handsome 6,873-yard Winged Foot in suburban Westchester County was a tremendous factor. Within a week it ranged from searing heat to pleasantly cool, and drenching thunderstorms that forced the first postponement of a round in the history of the tournament. Finally it turned up a day of strong, variable winds and low temperatures.

It didn't make much difference on the putting greens and that's where Casper won the \$12,000 top prize — and where bespectacled Bob Rosburg took second place.

During the four rounds of the 59th Open, Casper used 115 putts in putting together rounds of 71-68-69-74-282.

Three strokes ahead of Hogan at the start of the final round, Casper saw his lead begin to evaporate.

Five one-putt greens saved him at the start as he hacked his way through traps and the still soggy rough. He still was one under par at the 63-hole turn, but bogies on the 10th and 12th holes sent him over.

Hogan, whose quest of a fifth Open title faded with a 76 on the last round, and Snead, who has yet to win in 19 attempts, wound up tied with 287 totals. A stroke ahead of them were three others who couldn't produce the one low score they needed on the last day — Doug Ford, Ernie Vossler and Arnold Palmer.

Vacation For Gritty Little Sword Dancer

By JOHN CHANDLER
Associated Press Sports Writer
NEW YORK (AP) — Gritty little Sword Dancer, who won a thrill-packed \$145,500 Belmont Stakes that left jockey Eddie Arcaro in a hospital and his mount dead, is going to have a vacation.

"Before the race we decided to rest him up come hell or high water," said Elliott Burch, the young trainer for the Brookmeade Stable of Isabel Dodge Sloan of Virginia and New York.

"He's had a hard campaign since the Florida Derby at Gulfstream Park, the rough Kentucky Derby, the Preakness, the Metropolitan Handicap, and now the Belmont. He is temporarily on the shelf. He's alright, but these hard races have to take their toll."

Burch expressed sorrow for the accident which befell the King Ranch's Black Hills and Arcaro on the bend approaching the turn for home in the mile and one half race. The colt broke a leg, throwing Arcaro into the mud unconscious. Lake Erie, another horse in the race, fell over them but jockey Walter Blum was unhurt.

Arcaro still was in a hospital today, recovering from a concussion, sprained neck muscle, contusions of the left shoulder and numerous bruises.

Prof. Stengel Ruminates On His Recent Adversity

BY HARRY GRAYSON
NEA Sports Editor

NEW YORK—(NEA)—Charles Dillon Stengel was interviewed in his sumptuous suite in the Essex House before the Yankees left on their second western swing.

The New York club had just completed its longest winning streak of the season—four—and was out of the basement after an 11-day occupancy.

"You must feel much healthier," I said to Casey Stengel.

The Old Professor turned around after having commented on the grandeur of Central Park, just across the way, and said, "There was nothing wrong with my health at any time. As a matter of fact, I never felt better."

"WHEN THE YANKEES were on top (nine out of 10 years), no one worried about my managing, but when we hit the cellar everybody seemed concerned. There were New York baseball writers who actually started telling me how to manage."

"They totally overlooked the fact, you see, that I am a thoroughly experienced manager (34 years), equally accustomed to managing from the bottom or the top. They should have realized that I knew what to do when in eighth place."

Stengel twice finished dead last with Toledo of the American Association. He was six times seventh—with the Brooklyn Dodgers, four years in a row with the Boston Braves and again with Kansas City of the American Association.

STENGEL HAS BEEN AROUND too long to be stamped. The records show him to be crowding 68, but he disputes that a year one way or the other. This is his 50th year in baseball.

"By this time," he said, "I am a man of infinite patience. And it's not hard to be that way when you know you have the best."

"Everything, everything at once," replied Ol' Case. "Not a 300 hitter on the club and the pitching streaky. I've seen times when the big men weren't hitting and the small fry picked them up, or vice versa, but on this occasion you saw eight regulars with their poorest averages."

"YOU CAN ACCEPT that for a week or so, you see, but you don't expect it from experienced players for more than a month. Our strikeouts were way up, our bases on balls way down. We couldn't even beat pitchers who were off form."

Stengel doesn't have to tell you that Mickey Mantle suddenly catching fire at bat didn't exactly hurt. The Bombers have moved with the big ballplayer through the years—Babe Ruth, Joe DiMaggio and Mantle.

The Switcher's fielding picked up with his btying, which is usually the case with a good player. He's taking more chances on the bases, something his rickety right knee prohibited before. He's stolen nine of the 10 bases he attempted to swipe this season. He's stretching singles into doubles.

With Mickey Mantle hitting and others finding the range and the pitching straightened out, Casey Stengel had to admit that maybe the party was over for the upstarts.

Funeral Services
Tuesday for Well
Known EUB Pastor

Funeral services will be held at 2:00 p. m. Tuesday in Frewsburg, N. Y., Evangelical United Brethren church for the Rev. E. W. Mattison, native and resident of Warren county in his early years. Aged 70 and resident of 140 Ivory street, Frewsburg, Mr. Mattison died Friday afternoon in Roswell Park Memorial Institute in Buffalo, where he had been a patient since February 25.

The Rev. Horace H. Fischer, pastor, will be assisted by Dr. Glenn Donelson of Jamestown, who is superintendent of the EUB Erie Conference, and the Rev. Lloyd Houser, Buffalo. Interment will follow in Youngsville cemetery.

Earl Willis Mattison was born in Sugar Grove September 22, 1888, a son of Warren G. and Ella Covey Mattison, and spent his early life in that community in Youngsville. He was graduated from Chancellors Valley High School and took his theological training at Sugar Grove Seminary.

His first pastorate was as circuit missionary-minister for the Pine Grove, now Cable Hollow, charge, which had five churches. He had also served pastorates in Great Valley, Delogia, Pleasantville, Union City and Port Allegany, Pa.; Frewsburg and Dewittville, N. Y.

Ordained in September, 1917, he had served the EUB Erie Conference more than 46 years. He served as secretary of the Conference board of trustees for several years, also as district leader in the conference.

He had also been chaplain of the Chautauqua County Home at Dewittville for six years. Following his retirement in 1948, he had lived in Frewsburg and was a parishioner in its EUB church.

Surviving are his wife, Carrie Wickham Mattison; two daughters and a son, Mrs. Donald D. Burch, Cochran; Mrs. Earl D. Radmacher, Dallas, Texas; and Keith W. Mattison, Syracuse, N. Y.; also a sister, Mrs. Gena Brown, Corry; seven grandchildren and several cousins. A daughter, Naomi, died in 1939 and a son, Clarence, in 1925.

EDWARD C. WALKER
Very largely attended funeral services for Edward C. Walker well known resident of Dutch Hill and official of Walker Creamery Products Company, were conducted at 2:30 p. m. Sunday by his pastor, the Rev. Donald H. Spencer, of First Presbyterian church.

Serving as bearers for interment in Oakland cemetery were Francis Kottnair, Edward A. Buerkle, Lester Tegeler, Kenneth Grosch, Ralph Brown, Howard King, Robert Foster and Vernleigh Belz.

Designated as honorary bearers were John Carlson, Hilding Lundahl, Gilbert Buerkle, Marshall Barnhart, Floyd Grosch, Al Rasmussen, Donald P. Wright, Thomas Atwell, Ernest Ellberg, Quay McCune, George Walker, Horace Carney, William E. Yeager, Sr., Virgil Bennett and Norman Thomas.

In addition to the large number of local persons, those in attendance included numerous friends, relatives, and business acquaintances from out of town.

Numerous memorials and a great profusion of flowers received bespoke the love and esteem of those who mourn his passing. Fellow-members conducted the Masonic ritual at the funeral home at 7:30 p. m. Saturday and Elks Lodge members made their visitation as a group at 8:15.

FRANK H. BLACK
Services will be held at 2:00 p. m. Tuesday in Tionesta for Frank H. Black, 65 year old former East Hickory resident, who died Thursday in Jeffersonville, Ind. Rev. Arden Surbey, of Venus Lutheran church, will officiate, followed by interment in East Hickory cemetery.

Born September 8, 1893 in Butler county, the son of James and Effie Cross Black, he was employed in gas field work all his life, working for the United Natural Gas Company in Endeavor and East Hickory. He was married February 11, 1915 to the former Louella Douglas, who survives.

Also surviving are a daughter, Mrs. Wayne Kiser, Tionesta RD; four sisters, Mrs. Henry Truman, Sigel; Mrs. William Huggler, Old City; Mrs. H. E. McMurray, Brookville; Mrs. Francis Bigler, Kingston; two brothers, Egbert Black, of Sigel; Ernest Black, of Ridley Park. A son, Robert, was killed during World War II.

MRS. SAMUEL STOVER
Services were held at 2:30 o'clock today in Tionesta for Mrs. Esther Stover, 68 year old resident of that place, and wife of Samuel Stover, who died early Friday in the Titusville Hospital, Rev. Richard Shaw, of Guys Mills, officiated followed by interment in Mt. Collins cemetery in Tionesta.

Mrs. Stover was born in Venango county January 8, 1891, a daughter of Levi and Lottie Shantz Bills. In addition to her husband, she is survived by one son, Levi Stover, of Torpedo; four daughters, Mrs. Martha Noor, Guys Mills; Mrs. Mary Woodard, Jamestown, N. Y.; Mrs. Sarah Miller, Tionesta; Mrs. Leora Bromley, Faulkner, N. Y.

Committal services were held at 10:00 a. m. Friday in Oakland cemetery for Leroy E. Matha, of 301 Park street, with Sr. Major Charles Schaffer, of the Salvation Army, in charge. Mr. Matha died at 9:00 p. m. last Monday in the Veterans' Administration Hospital in Wood, Wis., where he had been a patient since 1951.

Surviving are his wife, Mrs. Iva L. Matha, Bonnie and John, at home; Mrs. Mary E. Summington, Gibson, N. Y.; Mrs. Iva Toole, Hicksville, N. Y.; Mrs. Edna Zimmerman, Pittsburgh; Mrs. Ruby Hannah, Endeavor. A daughter and son preceded him in death a few years ago. He also leaves a brother, two sisters, 14 grandchildren, several nieces and nephews.

MRS. EMMA S. PETERSON
Funeral services will be held at 4:15 p. m. Tuesday in Jamestown for Mrs. Emma Swanson Peterson, native of Sheffield, who died at 12:45 a. m. Sunday at the home of her daughter, Mrs. Helmer V. Larson, of 75 Pearl street. Rev. Dr. Paul A. Westerberg, of First Lutheran church, will officiate, and interment will be in Sunset Hill cemetery, Jamestown.

She was born November 9, 1879, in Sheffield, a daughter of Charles and Johanna Swanson and was the widow of Oscar W. Peterson, who died March 10, 1957.

She was a member of First Lutheran church, Ladies Aid Society No. 2, Flora Lodge and Elphinstone Lodge. She came to Jamestown in 1913.

Only survivors are her daughter, Mrs. Larson, and three grandchildren, Judy Larson, Jamestown; Sharon Larson, Pittsburgh; Deann Larson, Minneapolis, Minn.

WALTER E. CARLSON
Walter Edward Carlson, 54 year old resident of Miller Hill, in Warren RD 2, died at 3:00 a. m. today at his home, having been in failing health for the past three months.

Mr. Carlson was born in Warren June 3, 1905, had resided in this area practically all his life, and had operated his own farm for several years.

Surviving are his wife, Irene; three children, Mrs. Virginia L. Roberts, Russell RD 2; Mrs. Genevieve L. Burch, Warren RD 2; and Mrs. Isabelle E. Hanson, Sugar Grove RD 3; one sister, Mrs. Elizabeth H. Anderson, Jamestown, N.Y.; and one brother, Guy R. Carlson, Cleveland, O.; also six grandchildren, a number of nieces and nephews.

Funeral services at 10:30 a. m. Wednesday will be conducted by the Rev. John Z. Andree, of First Church of the Nazarene, and will be followed by interment in Pine Grove cemetery at Russell.

Funerals
FRANK H. BLACK—Friends will be received at the Rhodes Funeral Home in Tionesta from 4:00 until 10:00 p. m. today, and services will be held there at 2:00 p. m. Tuesday. The Rev. Arden Surbey, of Venus Lutheran church, will officiate and interment will be made in East Hickory cemetery.

WALTER E. CARLSON—Friends are being received at the Templeton Funeral Home, starting at 2:00 p. m. today, and services will be held there at 10:30 a. m. Wednesday. The Rev. John Z. Andree, of First Church of the Nazarene, will officiate and interment will be made in Pine Grove cemetery at Russell.

RAIN IN AUSTRIA
VIENNA (AP)—Week-long rains in Austria stopped today. The sun came out and most of the swollen rivers receded. At least three flood deaths were reported over the weekend.

Former Head of
Pa. State Police
Wilhelm is Dead

COL. WILHELM

HARRISBURG (AP)—Col. Cecil M. Wilhelm, commissioner of Pennsylvania state police from 1943 to 1954, died Sunday night in Harrisburg Hospital after a lengthy illness.

The 77-year-old Harrisburg resident had been admitted to the hospital May 17. The nature of his illness was not disclosed.

Wilhelm was one of the original members of the state police force, which was formed in 1905.

He began his police career as a sergeant, rising through the ranks until he was appointed head of the state police in 1943 by former Governor Duff.

Wilhelm completed 49 years service before retiring in December 1954. He first came to Harrisburg in 1919 as chief of the state police firearm school.

Born in Reading Oct. 21, 1881, Wilhelm was educated in Reading public schools, Carroll Institute and the Pennsylvania Military College.

He served in the Spanish-American War and World War I. Survivors include his widow, Mrs. Lola Brandt Wilhelm, and five children. Funeral arrangements were incomplete.

ceived orders to provide United with the following: a direct fired heater used in selective processing of high octane gasoline; reactors used in catalytic reformed high octane gasoline; and shell and tube heat exchangers. Within the last year Struthers also supplied United with several heat exchangers, steam generating equipment, boiler tube heaters and alloy furnace coils.

Pennsylvania Furnace & Iron, has furnished recently to United, two 6,650 gallon trailers for hauling large bulk loads and two 2,000 gallon, five-compartment truck tanks. Penn-Furnace has also supplied other equipment for the refinery.

Robert F. Porter, Refinery Manager, said that, in carrying out a plant modernization improvement program over the years, United was fortunate in being able to call on local suppliers who are recognized as leaders in their respective fields. Mr. Porter said that much of the equipment needed by United has been available from Warren firms which specialize in supplying the petroleum industry.

agreement on a summit conference even if there is no accord on Berlin.

The possibility of a compromise seemed to depend on whether the Soviet government would shelve its threat to hand over control of the Berlin supply lines to East Germany while prolonged negotiations over Germany and related European issues take place.

The Western powers in return could be expected to agree to trim the size of their 10,000-man garrison in West Berlin, to curtail propaganda and spy activities from there against the Communist bloc, and to agree to a ban on nuclear weapons in Berlin.

CORNPLANTERS FIRST
The Cornplanters, American Legion Drum & Bugle Corps, took first place in the Firemen's Parade at Cambridge Springs Saturday evening, after placing third in the standstill competition sponsored by the Maple Springs Fire Department, at Midway Park in the afternoon. The Jamestown Vikings finished first at Midway and Hose Co. No. 4, of Dunkirk, second. Two appearances are scheduled for this week, the first being the Laurel Festival at Brookville Friday evening, and a Strawberry Festival, at Brant, N. Y., Sunday.

Workers Strike Against Struthers Wells Corp.
Workers at Struthers Wells plants in Warren and Titusville went on strike shortly after midnight Sunday.

An early meeting is hoped between the company and International Association of Machinists here to end the walk-out.

The Union, in their negotiations with the company, demanded a package, which, in the company's opinion, was in excess of the general range of increases in the industry.

Mr. Knappengerger's son, Harold, Jr., continues at Kingsley church in Erie; Delbert Jolley ends an 11-year tenure at Fredonia, N. Y., to go to First Methodist church in New Castle; Ray Albaugh formerly of Warren county, is returned to South Dayton, N. Y.; Harry Conroy, at Lakewood, N. Y., for six years, has resigned from the Methodist denomination to enter the ministry of the Community Church in New Jersey.

T. O. Dusch, at Tionesta for six years, goes to Cherry Creek, N. Y., and is succeeded by B. C. Himes, who comes from Boyers, Pa.; Ernest Shumacher is leaving Frewsburg for another conference and will be succeeded by Norman Sabin, who has been at Valer, Pa.

District secretaries named include Rev. Parsons, Sheffield, for temperance; Robert Buchanan, formerly of Warren but now of Meadville, was appointed a Conference youth director.

The Rev. G. R. D. Braun continues as superintendent of the Methodist Home for the Aged at Meadville; the Rev. Donald Struchen will again serve as executive secretary of the Conference board of education.

dice by a white jury." Reddick said the verdict represented some slight gain for Negroes, but not enough.

The four defendants appeared stunned by the verdict. They were whisked off to Railroad State Prison after the jury reported at 12:35 a. m. Sunday.

Tallahassee Negro ministers made references to the trial in their services. The Rev. David Brooks said prayers were offered for the coed and the four youths. "We asked that God would lead them (the youths) to repent," he said.

All was quiet on the all-Negro Florida A&M University campus where the victim was a freshman. Passive demonstrations were staged by students there last month.

The 63-year-old governor, who has been confined here two weeks, seeks his freedom on a writ of habeas corpus. A sanity hearing is scheduled Tuesday.

"They led me in here in handcuffs," Long yelled to James McLean, Louisiana Capitol correspondent for the Associated Press. McLean and Margaret Dixon, managing editor of the Baton Rouge Morning Advocate. With them were Emile Comar of the New Orleans States and Bill Lynch of the Shreveport Times.

"They wanted to kill the loan shark bill," yelled Long. "They wanted to pass the sales tax. They wanted to kill my election bill."

The governor referred to the recent fiscal session of the Louisiana legislature. The loan-shark bill proposed a relatively minor change in the interest rate on small loans. The election bill was designed to change the state Democratic primary from Dec. 5 to 19. The sales tax Long mentioned was not an issue. The other two bills died.

Long said he would call a special session of the legislature to revive the bills.

at Le Bourget Airport in September 1956.

Liberace had just been stung by a wasp and the airport first aid station had applied a powerfully odorous antiseptic to the wound. Stephens said he could still smell what he took to be perfume, and asked Liberace what kind he was wearing.

Stephens testified he said it was American toilet water. "Was the perfume noticeable?" asked Neville Faulks, one of the Mirror's lawyers.

"Very. In fact it overpowered the antiseptic."

"Was there any further discussion of perfume?"

"Yes, Mr. Liberace told me he had heard they made very good perfume in France and he intended to buy some."

nolds apparently opened the door, shined his flashlight at Hofer, and saw that he had a gun.

The officer shot Hofer, who fell to the floor. Reynolds walked over to him, and was within an arm's length from the fallen man when Hofer shot the officer. Lewis began to exchange shots with Hofer, but could only shoot at Hofer's gun flashes. Meanwhile, Mrs. Hofer fled.

Lewis ran out of ammunition and went downstairs to call an ambulance for Reynolds and get more bullets. At least 10 more officers had arrived.

Police heard the children talking with their father, who was firing constantly while Lewis was downstairs. When he and the other officers got upstairs, the children and Hofer were dead. One of the girls was found at Hofer's feet.

When the shooting had started Mrs. Hofer's parents, Mr. and Mrs. W. L. Bailey, fled the white frame two-story home.

Beazley said Hofer rented a car in Atlanta Sunday and drove 174 miles to Augusta, where he had been arrested previously on charges of disturbing the peace in disputes with his wife.

In April Hofer had been charged with kidnapping his wife in Florida while she was on the way to Pensacola, where he lived, for a divorce hearing there.

ied. This indicated that the Republicans will attempt a further reduction in new tax needs by asking that estimated income from existing taxes be revised upwards.

The only budget cuts Berger actually mentioned were further reductions in the 141 million dollar deficit left from the 1957-59 biennium which closed May 31. He said there are nine million dollars unspent in the public school subsidy for the past biennium and 10 million in school building appropriations.

Under questioning by newsmen at an impromptu press conference Berger declined to specify in what areas the remainder of the 40 million dollars was found except to say there were "no substantial reductions in mental health."

Rep. Stephen McCann, House Democratic leader, questioned the GOP figure. He said about three to four million of the school building appropriations has been committed, even if it wasn't spent at the end of the biennium.

Meanwhile, in weekend statements, Republican State Chairman George I. Bloom, and Charles M. Dougherty, revenue secretary, took opposing views of the GOP refusal to lend any support for the administration's tax program.

Bloom said the Republican stand "has been a major factor in forcing Democrats to adopt a much firmer economic position than was taken initially." He pointed out the 178 million dollar deficit anticipated by the administration for the 1957-59 biennium is now down to 141 millions.

Park Watch To
Continue; New
Laws In Use

State Police plan to continue their watch at Chapman Dam State Park for visitors who fail to leave the park after the 9:00 closing time.

The deadline is part of rules and regulations governing the State recreation site. Following a robbery there Friday, officials plan to keep the park free of after-hour nuisance in order to maintain a beautiful and safe play area for the thousands who visit it yearly.

Two laws which affect Chapman Dam were announced Saturday by Marice K. Goddard, secretary of Forests and Waters.

Under - water breathing devices and any inflated device is now prohibited in State parks, including Chapman Dam. Underwater swimming makes it impossible for the busy lifeguards to keep check on the divers.

Boat permits are now required of all boaters using the State Park lake. Formerly permits were required only if a boat was moored overnight.

Large Turnout Sunday At Annual
Gathering Of Youngsville Alumni

The 57th annual reunion of Youngsville High School Alumni Association was held in the high school building Sunday.

Opening the program at 1:30 p. m., a concert was presented by the Youngsville High School Band, under the direction of Donald Barron, music instructor. Alumni members Edith Olson, Dennis Engstrom, Jerry Egbert, Karen Swanson, Lois Linda and Wilma Wentworth brought their instruments and sat in with the band. Joining them was Klahr Peterson, now music director at Knox, who had not played with the band for 15 years.

The concert, including Independentia March, Field of Color March, Beguine Festival in three scenes, and Colony Boye March, was music enjoyed by the alumni gathering.

At 2:15 p. m., a tureen dinner was enjoyed by approximately 140 people, of which 75 were Alumni members. Mr. and Mrs. Garner Wilcox, Mr. and Mrs. Homer Wolfe, Mr. and Mrs. Armour Johnson served as committee.

Following the dinner, Klahr Peterson led the group in singing "The Pennsylvania Hills," reminding many of their school days.

Miss Kathryn Agnew was presented a gift as the member from the earliest graduating class, and Mrs. Hazel Long Tip-ton, Tacoma, Wash., for the longest distance traveled.

H. J. Sherwood, supervising principal, was introduced and spoke briefly to the group; likewise John Harvey, new high school principal-elect.

President Reid Pierce conducted the business meeting which followed, resulting in election as president, Garner Wilcox; vice president, Lewis Crippen; secretary, Mrs. Ruth Wilcox; treasurer, Kenneth J. Franklin; honorary vice president, Mr. Sherwood.

It was decided to hold the 1960 reunion at the same place, on the second Sunday of June, the time to be set by the new officers.

After the business meeting adjourned old acquaintances were renewed, and many reminiscences were brought to mind to end a very enjoyable reunion.

Times Topics

FROST IN AREA

Dipping temperatures over the weekend was climaxed by frost at Chapman Dam and other outlying areas this morning. High today should reach 70 with a low tonight of 44-50. Temperature should be in high 70s Tuesday.

ROBBERS VISIT DAM

Joe Montore's concession stand at Chapman Dam was broken into late Friday evening. A small amount of change and some merchandise was taken. Entry to the stand was gained through a window. Officials today backed up their Friday announcement that all visitors except over-night campers must be out of the park by 9 p. m. or a reasonable time thereafter. State Police will keep a close watch on cars in the park after the 9:00 deadline.

WANT CEREMONY PHOTO

Titusville Herald: The Herald is seeking a photo taken at the outdoor pipeline message ceremony at the National Transit pump station on June 4 which shows Miss Pennsylvania and George S. Patterson, president of the Buckeye Pipe Line Co., in the same picture. They were grouped together with others after the ceremony for the purpose of picture taking. The Herald would like to borrow such a negative long enough to make a few prints for Mr. Patterson. Gentlemen, please step forward. Also, we would like a photo, taken at the same time, showing both Miss Pennsylvania and the pipeline pig in which the messages arrived.

the property of the Senecas and "The United States will never claim the same, nor disturb the Senecas in the free use and enjoyment thereof."

In ruling against the Indians the Court of Appeals acknowledged that the flooding would infringe Indian rights given by the 1794 treaty, but it said Congress could authorize a taking of lands by the power of eminent domain, despite the treaty.

Council for the Senecas did not contest the authority of Congress to take over tribal lands by "appropriate action" but it was argued that Congress did not take such action and specific legislation was needed to abrogate the treaty.

YMCA Camp Built Around Boys' Love For Outdoor Life

YMCA camp committee today explained that "every boy wants to have a vacation time when he can have fun with friends, enter into friendly competition and do the various other things that go along with camping in the great outdoors."

Boys in the Warren area are offered an opportunity to join friends at the Y's own camp July 19 to 26. The camp, "Complanter," is located between Kinzua and Ludlow.

Available for the campers is a 27 by 70 foot outdoor swimming pool with filtered water. Areas of unspoiled woodland in heart of Allegheny National Forests beckon the hiker.

The modern dining hall seats over 100 hungry campers. The dining lodge also doubles as a rainy day center and assembly hall for dramatics, boxing, skit nights, movies and other activities.

Eight all-weather cabins accommodate twelve boys plus staff members in "true life in the woods" atmosphere.

Camp staff this summer will be composed of older, experienced boys. Included is a program director, physical education head, camp nurse, dietitian, junior and senior counselors.

State Cabins Filled

Secretary of Forests and Waters Maurice K. Goddard said today that the popularity of cabin rentals in the State Parks has outstripped the capacity of the 171 cabins available. Applications for cabins were filled as they were received at State Parks starting April 1, if postmarked no earlier than April 1.

Gets State FFA Office
Dale Penley, son of Mr. and Mrs. Calvin Penley of Sugar Grove RD 3 and 1959 graduate of Eisenhower High School was elected to the office of sentinel of the Pennsylvania Association of Future Farmers of America, at last week's convention at the Pennsylvania State University.

Dale went to the convention as an officer candidate, accompanied by his vocational agriculture teacher, Joseph G. Soper, and three other Northern Area Chapter members: James Chase, who entered the livestock judging contest; Hugh Porter, dairy cattle judging; Daniel Johnson, one of the area delegates.

In September, 1955, the young man elected to enroll in the vocational agriculture curriculum at Northern Area High and became eligible to join the local chapter of FFA, national organization of and for high school students studying in that field.

Activities which have led to his election as a state FFA officer: Chapter assistant treasurer, 1957-58 and treasurer, 1958-59; Area president, 1958-59; active membership in Student Council; and activity in other school functions. Under the supervision of Mr. Soper, he conducted the following farming program:

His first year in Vo-Ag, he had two dairy calves and 15 acres of oats; second year, three dairy calves, two dairy heifers, one beef steer, 22 acres of

Here and There (From Page Four)

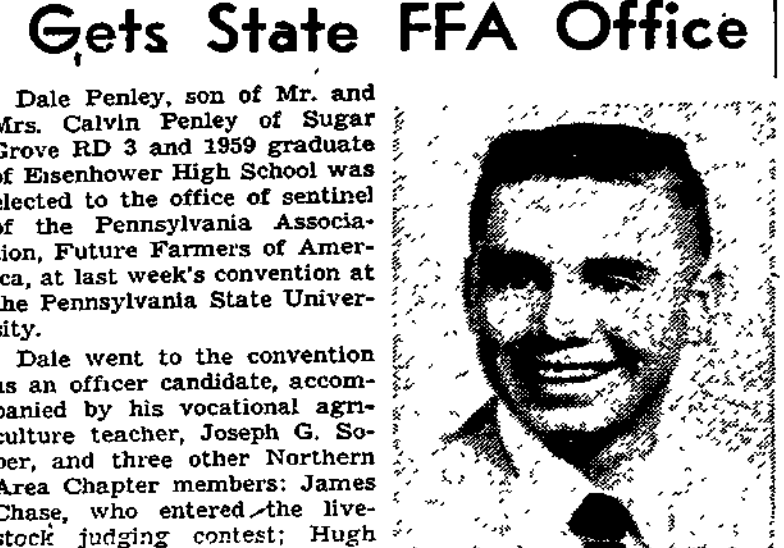

Barring unforeseen circumstances which would make necessary another postponement, plans have been completed for the railroad excursion to view the world-famous Kinzua Viaduct next Sunday, June 21, with the same stops and times as previously announced. Originating in Meadville, stops will be made at Cambridge Springs, Union City, Corry, Jamestown, Randolph, Salamanca, and Bradford. The special train will leave Meadville at 10 a. m. and return at 8 p. m. Excursion rates for the round trip from Meadville are \$7 for adults, and \$3.50 for children 5 to 12 years. Tax included. At Kinzua Viaduct there will be an opportunity for passengers to alight on the bridge while the train proceeds to Mt. Jewett, where the motive power will be moved around the train for the return trip about an hour later. The viaduct is in excellent shape, and the walkways and guard rails on its top are comparatively new. A baggage counter car will be part of the train in which food service will be available, or passengers may bring their own food with them, as no food stops will be made. To assure proper accommodations, a deadline on June 17 has been set for advance ticket purchases from the Erie station from which persons plan to depart. Mail requests for tickets will also be accepted. The original structure was part of the New York, Lake Erie & Western Railroad, and was built in 1882 to avoid four miles of curved rails up a 2 percent grade. Started on May 10 of that year, it was completed in just 94 working days, and contained 3,105,000 pounds of iron work. The original supports were anchored in stone footings, some of which reach as far as 35 feet below ground level. These same footings are used today, but have been encased in concrete for added strength and protection from the weather. The present structure was constructed in 1900 because of greater weight of locomotives and rolling stock. This has the same dimensions as the original, 301 feet high, and 2,053 feet long. At the time of its origination it was the highest railroad bridge in the world, and today is exceeded by only three others, one each in Burma, Chile and Texas. In years gone by many excursions have been operated over both structures, with up to eight on a summer Sunday on the original, which more than paid for its cost. The present viaduct contains 6,715,000 pounds of mild steel, and has been painted on the average of once every seven years.

SUGAR GROVE
SUGAR GROVE—Mothers of the area are reminded the clinic for July will be canceled because of the absence of Dr. A. A. Grant. There were 21 children and mothers in attendance at the last clinic, when State Nurse Gladys Trussler and Dr. Grant were in charge. Assisting as local committee from the Reading Club were Mrs. Ralph Abbott, Mrs. Scott Stuart, Jr. and Mrs. Scott Stuart, Sr.
Mrs. Arthur Cody and Mrs. Ralph Abbott gave a surprise birthday party at the former's home to honor their mother, Mrs. John M. Abbott. Present were Mrs. J. E. Abbott, Mrs. Conrad Youngberg, Mrs. Gerald Youngie, Mrs. Lucy Scott, Mrs. Catherine Carr and Mrs. G. G. Reynolds.
Sixth graders of Sugar Grove Union Grade School joined with other Northern Area grade schools in a "commencement party" at Eisenhower School; the 40 members of the class and their teacher, Floyd Nobbs, also enjoyed a picnic at Pike's Rocks.
Mrs. Neil Scott will present her piano pupils in recital at 8:00 p. m. Tuesday in the Methodist church. All interested friends are invited.
Mrs. Paul Carlberg and children, Dane and Mary Lynn, of Versailles, N. Y., have been spending a few days with her parents, Mr. and Mrs. Delmar Mickelson, and Dane underwent a tonsilectomy at Jamestown General Hospital. Caroline Carlberg is the guest of her grandparents, Mr. and Mrs. Paul Carlberg, Sr., in Erie.
